DEADLINE: March 15, 2024

SECTION 4: TO BE COMPLETED BY HEALTHCARE TEAM MEMBER

(Full medical history is not required but is accepted.)

A. Instructions for Applicant: The healthcare team includes physicians, nurse practitioners, physician assistants, nurses, social workers, or any certified practitioner who is directly involved in the medical care of the patient living with epilepsy. If the applicant is a family member of, or caregiver to, someone living with epilepsy, this section should be completed by the healthcare team member who cares for the patient living with epilepsy. If you are a family member or caregiver applying for a scholarship, you may obtain a recommendation letter from an alternate source but the Medical History form below is still required.

B. Instructions for Healthcare Team Member: The individual listed below is applying for the UCB Family Epilepsy Scholarship Program™. The purpose of this scholarship program is to provide financial support for the education of people impacted by epilepsy, including patients, family members, and caregivers. UCB, Inc. seeks to recognize the personal achievements of those people impacted by epilepsy. Thirty-three one-time scholarships will be awarded to people living with epilepsy, and to family members or caregivers of people living with epilepsy, for use toward tuition at a United States–based center for higher learning (trade school, associate's, bachelor's, master's degree, etc.).
